Pushed to the wasteland: Environmental racism against Roma communities in Central and South-Eastern Europe

The ENVJUSTICE - EJAtlas team at ICTA - UAB in collaboration with European Environmental Bureau (EEB) and Human Rights activists releases a thematic map on environmental racism against Roma communities in Central and South-Eastern Europe.

¡Esto no Vale! Isso não Vale! Vale S.A. global operations lead to socio-environmental conflicts

On the occasion of the International Action for Rivers 2019, the ENVJUSTICE - EJAtlas team releases a global thematic map on socio-environmental conflicts in the world related to Vale S.A. mining and infrastructure projects.

Recently Updated Conflicts

Tamgold and INN' Metals in Kimacocha, Azuay, Ecuador

In March 2019, after many years of struggle, a popular consultation in the Gran district voted with a large majority against mining.

Gazprom's Obshchaya - Revenenokva railroad in Yamal peninsula, Arctic Russia

Yet another construction related to the Yamal mega gas export in the Yuribey river, at the expense of local biodiversity and the Nenets indigenous population's cultural and social values.

Bovanenkovo - Ukhta 2 undersea gas pipeline incident, Bovanenkovo Bay, Arctic Russia

Part of the Gazprom pipeline placed undersea has broken. Negative environmental impacts of the incident on reindeer herders (Nenets)

BASIC DATA
Fields marked with (*) are required.

NAME OF CONFLICT* Eg: Conflicting Project Name, Country
Kanal Istanbul, Turkey

COUNTRY*
Turkey

This is a country-wide conflict

ACCURACY OF LOCATION
LOW (Country level)

PROJECT AREA (in hectares and in this format: 1,000)
12.934

LOCATION OF CONFLICT (municipality or city/town)
istanbul

STATE OR PROVINCE
Province

TYPE OF POPULATION
Urban

HEADLINE TEXT Short summary visible in the main EJAtlas page, and upon clicking the conflict on the map. Max 400 characters.
Megaproject plan in Istanbul about the sea-routes that causes national opposition over environmental risks, water security, political and economic risks, and democratic rights. The main slogan against the project is "Either Canal, or Istanbul", which means we will have to give one of them up for the other one.

POSITION

LATITUDE
41.15446276830481

LONGITUDE
28.529283978917515

A map showing the location of the conflict in Istanbul, Turkey. The map displays various neighborhoods and landmarks, with specific areas highlighted in pink. Labels visible include Inceğiz, İzzettin, Nakkaş, Dumlupınar, K-4, Çilingir, and Haraçlı. A zoom control is located in the bottom-left corner of the map area.
